

Want to help your friends? **Make Money?** **Sell CaffeMallows!**

Attention students! Finally - Instant, tasty, and fun energy zing for you!

Energized! Zach © Thinkgeek.com

Our hyper-caffeinated marshmallows help you study, work, and play at night. And they are essential for those times when you must stay awake during the day! Yes, they are marshmallows - but with a twist. These flavorful puffs of epic softness combine all the fun textures of hand-crafted quality marshmallows with the serious buzz-inducing qualities of coffee and caffeine infused chocolate. They keep your taste buds humming and your brain bursting with energy, by giving you:

- ❑ **A truly delicious energy snack**
- ❑ **The softness of marshmallows - the power of caffeine**
- ❑ **No liquids to spill or scald**
- ❑ **Only \$0.66 each - 12 for \$7.99**

**100 mg
 caffeine in a
 marshmallow!**
